

Important Information

We created our doggy daycare for the dogs to experience a fun filled day. There are opportunities for them to play and socialize, to learn and exhibit natural pack behaviour in a group situation.

Once the application form has been accepted by us, we'll organise an evaluation (Trial) day to observe how your dog copes in our daycare environment. Please be aware that daycare is not for all dogs. Our dogs are in large outdoor play arenas, or indoors depending on weather. All dogs will have rest times throughout the day on our supply of comfy bedding.

At all times dogs are physically observed and monitored by our staff and volunteers inside the play arenas. We use positive reinforcement for good behaviour and use tone of voice for undesirable behaviours. If this strategy is not effective we will use a short time out. If the dog continues with undesirable behaviour, we may have to call the owner to collect their dog if needed.

We love dogs. Your dog is special and unique to us and will be treated in that way by our passionate staff and volunteers. We love what we do and have lots of love and cuddles to go around.

We look forward to spending our day with your dog.
